Sunday evening

My Genl,

I wish I very much for an opportunity to have spoken to the Regent on the subject of the Police conceiving the present to be an occasion when great Popularity may originate from him - but I have not left my room & scarcely even my bed since I saw you on Sunday last - I find you have seen Arnold - send you his letter to me & his Plan - I hope to be able to get out on Tuesday when I will come to Carlton - Have

yours ever sincerely

Gen Turner
