Lord Thirning to Col. Mc Mahon

~~Private~~

I perhaps your good wishes

of the conversation we had
the day we dined in Craven
Street - as you then gave
me hopes that His Royal
Highness would when in
his power consider the
possibility of my situation
may I now with your advice

Ed. Thompson to Col. H. H. Halloway Dec. 30 (P. 31) 1811

is to what would be more
proper for me to do towards
the Government or rather
of the English Passage
I need not represent to you
how mortifying my present
situation is, having no
privilege whatever
as the time is drawing
nigh which will give the
Prince full power will
I must plead my excuse

for troubling you with
this letter

Believe me
my dear Mr. Halloway
faithfully
yours
Ed. Thompson
