Jan 20th

My Dear General

Would it be
possible for you to stop,
for five minutes only, to
St James' Place this morn-
-ing? I am ashamed to
ask it: but having taken
St James' Powder last night
for a very heavy Cold, I cannot

go out, & the subject requires
speedy attention.

I have the Honour
to be
Your faithful Servant
Merica

W. G. Murray
