Sir W^m Beechey

A.A. No 218

20374

Dear Sir

May I beg the favor of you to take a favorable opportunity to present my most humble duty to The Regent, and assure His Royal Highness that nothing but an ardent desire to do something worthy his approbation has prevented me from executing the Commission which His Royal Highness was graciously pleas'd to honour me with. I have nearly compleated four Portraits of M^r Perivial, all different views of his face; and when ^{they} are compleated I will do myself the honor of sending ^{them} to Carliton Houfe for His Royal Highness's Inspection, that he may choose that which he shall consider the best.

Harley St.

I am, D^r Sir, your faithfull
& obed^t Serv^t
