Sir

The Duke of Cumberland yesterday
communicated to me from The Prince Regent
that His Royal Highness had been most
graciously pleased to desire Lord Liverpool
to let me recommend a commercial House
for the management of any Russian or
Northern Subsidy which is about to take place,
& that Lord Liverpool assured the Regent

The R^{ts} Hon^{ble} J^{ts} M^{rs} McMahon &c &c &c

I might depend on this favor being done
to me — I beg you will present my
humblest duty, & eternal acknowledgments to
His Royal Highness for distinguishing me
with so much of his kindness — Every
effort of my life will be devoted to the
proof of my gratitude, & to bearing testimony
to the world how much I am His in
attachment reverence & obligation, which
I shall endeavor to illustrate by every
opportunity afforded me — I have the
honor to be, Sir Your most faithful &
