

R. Thornton to Col J. McHale

20543

My dear Sir

I thought it proper to
send to your hands the
accompanying letter

20542

I wish you could get
Col Incenton to look after
Mr. Bebb for Thursday
next, & to make him out
for me, or stay away —
He is poorly — W^m Bebb

is doing what she can with
Mills, but it is not yet
certain whether she can
manage him — I thank
you gratefully for all
your kindnesses to me
& remain

Yours truly
R. Thorne
