Stable yard. April 22^d 1813.

My dear Sir.

May I request the favour of you to lay on the table of His Royal Highness the Prince Regent the enclosed Returns, which, being the first since His Royal Highness was pleased to order them to be made out in the same form as the rest of the Cavalry, it was necessary to send back more than once for correction. — In future I have no doubt of their being ready on the day appointed, and I beg the favour of you to make my humble excuses for this seeming irregularity.

I beg the favour of you at the same time to take the pleasure of His Royal Highness on the enclosed list of appointment recommended in the 2^d Regiment by Lt General Barton. Believe me, with great regard

My dear Sir,
Your most faithful
& most obedient servant
Harrington.
