My dear M^r. Mahon

Hurry of Business prevented my returning immediately
Thanks for your ready compliance with my
request in favor of my Brother. - whether the applica-
tion proves successful, or not, it will gratify
him to know, that he is not forgotten by his whole
family. -

I should indeed be senseless to every good feeling,
if I did not derive great satisfaction from the
Princess's kind Recollection of me, & trust I shall
never desolve to forfeit it. - nothing can be more
lamentable than the mad perverted turn which
this enthusiasm for the Princess has taken, &
it is the more to be regretted, as it is impossible

to believe that the loudest, can be sincere in their
applause. I mean such as have the ordinary
capacities of Men. —

Believe me
very sincerely yours
W. G. Murray
