My dear Sir

I take the liberty of enclosing a
list of those I have proposed to
send with me to meet his Highness
Prince Regent.

Lord Kerford
The Deptford
Department
Mr. Mendenley
Mr. Liverpool
The Lord Chancellor
Mr. Baltham
Mr. Adam
Lord Castlereagh
Lord Grenville
Mr. Lansdale
Mr. Chatham

I hope you will do me the favor of being with me
I had intended to

have proposed to an old servant of his
"Royal Highness", a very old friend
of mine to meet the Prince Regent
"Lord Albemarle" but I am not sure
whether such an invitation, might be
agreeable to his Royal Highness, of which
circumstance you can perhaps privately
inform me.

I have the honor to remain

Yours most obed^t
Lover & friend
