20641-2

Private

W. H. M.

May 27th 1863

My Dear Mr Mahon

I did not see
the Duke last night after
you left me - But I
have this morning received
the message you brought
me in regard to the
suspensions to vacant
Regts & I return you
Suffolk's letter - I regret
I shall be unable to

See 20638-9

Col. H. Torrens to Col. H. Mahon

to find that the circum-
stances of the notification
to Lord Dalhousie having
been despatched will throw
a difficulty in the way of
H.M. D. Paine's Regt's
Command - But the
State will see H.M. this
morning upon that subject,
& upon the suspension to
the 17th Regt. for which I
have mentioned D. Paine

20642
Regt's Command relative
to Houston.

Col. H. Torrens
H.M. D.

I have mentioned of
order respecting W. Henge
& believe his name
will be submitted once
Houston.

H.M. D.
