

Lady Anne Barnard
June 15. 1813.

allow me my Dear Col. to thank
you with all my heart for the
share which your good will to me
and friendship for Col. Barnard
I am sure has had in this
very kind act of the prince
by appointing him one of his
aid du Camps which I have
this Instant read as actually
having taken place in the
gazette — I have not therefore
a little joy in subscribing myself
your much obliged Anne Barnard
for you are well entitled to my
thanks, as thro you I sent my
anxious letter, & to you I therefore
owe a part of its success —
Sincerely yrs —
