

Count Münster
June 27. 1813

20683

20682
Count Münster has the honor to present
his compliments to Colonel Mack Mahon
and to send him enclosed a letter, which
Mr. de Haackel has left for that purpose
with C. Münster -

The subject of the petition, in favour
of the late Duchess of Brunswick servants,
deserves consideration and C. Münster was some
time ago ordered, by His Highness the Prince Regent,
to recommend it to Lord Liverpool - He
now finds that the case is referred to Col.
Mack Mahon - and therefore takes the
liberty to request he will give a favorable
consideration to it -

June the 22^d 1813.

Ed. M^r. John M^r. Mahon.
