

H. Genl. Thos. Hislop to Col. DeCadehow

20718

Monday Morn. 12 July. 13.

My Dear Genl.

I trust that it is impossible to feel more sensibly gratified than I do for the truly friendly interest which you have so strongly evinced towards me, and I will dare flatter myself that I shall never give you an instantly cause to regret it, the only Retribution I can ever make for your extreme Kindness to me. - Your most Confidential Communication shall be implicitly and scrupulously Respected.

Subjoined is the Copy of an amended Memorial which I drew out since the one I showed you I think it is more pointed, bringing the grounds of my Claim in the clearest point of View. - I cannot doubt of its success by your speaking to Lord L. in its favor, - Believe me ever My Dear Genl.

R. W. Hislop

Your obliged & faithful
T. Hislop

Col. DeCadehow

P.S. I mean to send to my Memorial to day in the manner you suggested.
