Master I am sure you join
with me in heartfelt
rejoicing on this day &
prayers that the glory &
happiness
of his reign may not be
interrupted by the malice
of his Enemies — pray tell
me when you have received
this & believe most sincerely
your Friend.

I did not venture to say, what I
will in confidence to you, how
much I am distressed that
what you eat came from a very
different fund than I intended.

Do you understand me?
