My dear Sir

I am going down to my hotness at
Addington Park near Croydon - where I
shall remain for ten days - and if the
Prince Regent should within that period
return to Carlton House, I will be very
much obliged to you to give me a line,
as I am particularly anxious to pay
my duty to His Royal Highness, and it
would be a great convenience to me to have
the opportunity before I leave this part of the
Country - if this should not occur during
my continuance with the Lord Bishop, I will
call upon you, or trouble you with a line
as I had thought I was to make some
arrangement - I beg of you for being
so troublesome - and am with great thanks
yours sincerely
