

Mrs. G. Villiers to Col. Keekahan

W. South Place
Brighton
Friday Oct. 2-

My dear friend

Do not trouble you
think I wish to bore you, or
hurry you to do that, which I
can easily conceive you may
not find an opportunity of doing
(for your zeal & friendship
I shall never doubt) but I
wish to tell you that we leave
Town early on Sunday - Mr
Villiers is so very unwell that
I have prevailed upon him

Mrs. A. Vickers to Col. Keekahan

21008

20946

To delay no longer trying
at least if change of scene
will can do him good —

I also wish to ask you if you
can tell me in whose hands
is the Report of the Commission
against Mr. T. & whether you
will allow him to transmit
to you his full reply to it
in order that whichever the
Report is the Reply may be
sent it, & that the truth may

consequently have a chance
of being read as well as the
false accusations — Whenever
you are kindly disposed to
favor me with a line, have
the goodness to direct it here
it will be immediately
forwarded — I am fully sensible
of your kindness, & feel it to
be a comfort under all our
Misfortunes — Believe me always

My dear Sir

Most truly & gratefully
Yours
Anne Vickers
