Lyon 8th October 1813.

My dear Colonel

As the Report has been returned
from Warwickshire for some time, I take
it for granted you are now in Town,
knowing full well that H: R: H: cannot
be in London, do without you.

I trouble you therefore with this, merely
to enquire after H: R: H: 's health, &
to express my most sincere Wish, that
you, & Mrs. Macnabon, are enjoying perfect
health, & have received great benefit from
the Chatterton Waters.

If you can find time in the midst
of your constant Occupation to run
down here, I trust I need not say, that I
Rth Hon^{ble} Colonel Macnabon &c. &c. &c.

shall be happy to see you, and a little
exercise & Country air, will be of service
to you.

All here write with me in
compliments, & best Wishes to you, &
Mrs. Mac-Mahon.

Ever most faithfully yours
Northumberland
