K. G. Nov. 4. 1819

My dear Sir

I received the inclosed
letter to day and altho
I have not a doubt
that the Prince
Agent has already
received a letter I
had the honor to
write & in which
I inclosed the
original letter from
Mr. General Boulton to
me, yet I will
to the Office!

Ld. Lux bei dje.

my nature &
experience in patience
papers his character
is so deeply impressed,
& by Gen. to honor
his good will to Gen.
Super his Royal
Highness, General
Dunkin's letter, in
case the former
on hand have
miscarried.

Being myself wholly
unacquainted with

21084

the merits of the
case, I have merely
called his Royal
Highness's attention
to General Dunkin's
statements, without
having presumed to offer
an opinion thereon.
I remain

Very Dear Sir

Gen. Smith's

and Ferdinand's

Believe
