My Dear Mr McMahon 13 Nov 1813

No 5 Col. Row Hampstead  
Road

Enclosed I send you the copy  
of a Letter which I this day have  
delivered to the Prince Regent that you  
may be acquainted with the steps I have  
taken, by which means you will be more  
able to serve me, being made master of the  
business - I have no other object in life  
to obtain, but ~~to~~ in this one I am most  
peculiarly interested, as I have presumed  
to mention to his Royal Highness, and  
you may well imagine that I am -

I call on you by all that is just & proude  
to endeavour to exalt your self w<sup>th</sup>  
his Royal High: shall give you his  
command thereon -

god bless you  
your most friendly

S Hanger
