Sir

You will I hope pardon my presumption in thus
troubling you, and beg leave to state that my
Lord Sidmouth had the goodness to present my
Petition to His Royal Highness the Prince Regent
last August, who was not then pleased to signify
His Commands; my distressed situation causes me
I fear to deviate from the usual Etiquette, and
I trust will plead my excuse. as my case is
justly represented in my petition, I have only
to add Sir, that I hope you will have the goodness
to use your Interest in my behalf.

I have the Honor to be
with all due respect

Sir

Your Obedient Humble Servant

George Vaughan
