Altho' personally unknown to Col. McKelvey
I presume to address him as the widow of Adm^l
Mackenzie who as well as his Brother was well
known to him.

The many kind things done by you & in
and the situation you hold in His Royal Highness
Household enables you to do - has induced me to
enclose a Memorial to His Royal Highness and
to request your goodness in presenting it to him.

I forwarded one to Mr. Prou which he
kindly undertook to lay before Lord Sidmouth
being told that was the proper mode but which
I fear now meet the Princess Eye - so just at
that time a pension was granted to Ad^l widows

the copy of a letter I have had the honor to

much attach'd to my beloved Admiral.

Had my situation & circumstances
~~been~~ enable'd me I should immediately have
personally presented my Memorial to the Prince
Regent but pecuniary embarrassments have
precludid me and I now solicit your kind
aid in so doing, well knowing the many friendly
acts you have done in similar situations and
