

Ld. Howe to Sir Home Popham

21227-8

Calcutta  
Dec 21 1783.

My Dear Sir Home

Lady Sadon  
forgot to speak to you  
respecting the Duties to  
be paid on the articles  
which are packed in the  
box so kindly taken of  
you under charge. As these  
Duties are ad valorem, it

Ld. Howe to Sir Home Popham

is necessary that these letters  
- be placed in a box  
for Princess Charlotte and  
- directed to Miss Knight,  
and under one Address  
Road. I think the best  
procedure with the box  
for Princess Charlotte would  
be for you to send it to

the Custom House with a  
Private Intimation that  
it was to apply to  
Liverpool for a Treasury  
Order for its transmission  
to Miss Knight. If you  
will have the kindness  
to pay the Duties on the  
other things, I will show

85519

This letter to help? ~~cut~~ a  
co. they will pay you the  
amount.

Believe me my dear  
Sir Henry

Yours very faithfully  
L. D. D.

Henry
