Sir/

Understanding that H. B. Esq. has
the Prince Regent had expressed a
wish to have a Picture of my late
Brother, Lord Beathfield. I have
had a Copy taken of the only one
there is of his Lordship, which as
it is now finished I have taken
the liberty of ordering to Carlton House
tomorrow, Thursday, I shall feel
much obliged by your presenting it
in my name to H. B. Esq. at
the same time I must express my

regret, that no other or better likeness
was ever taken of my Brother to
have rendered the picture more
worthy of the acceptance of His
Highness, allow me to remain Sir

Y^r much obliged
