Dear Pickett,

I thank you much for your good intentions towards the Chaplain of the Vengeur; touching whom I wrote you under a Mistake, that he was the Son of the late Mr. Crawford Pickett; but have since learned, that he is the Brother of an officer of Dragoons sometime ago stationed in this neighbourhood, and very much esteemed by all who knew him, and a frequent Guest in this House; I hope the Reverend is a Man of good Morals, otherwise I shall much regret, the being interested you, in his Favor.

I trust, that the restoration of discipline, & good order, in the Vengeur, will be duly appreciated at the Admiralty, which I will avail myself of, in a Line to Colonel Macmahonier Long, and

happy shall I be, if it contributes, in the smallest  
degree, to the attainment of your object -

Pray remember me to your Admiral, who is  
a very good Fellow, and to all other Worthies  
of my acquaintance in the Basque Road Squadron  
and believe me to be, with great regard and  
Esteem yours very truly  
S. Vincent

Lady S. V. sends you her very best  
Wishes - I was glad to learn from my sister, that  
Mrs. Inonide, whom she saw lately at Bath,  
express'd herself very warmly towards you,  
and your Family.
