Sir

His Royal Highness The Duke of Cambridge
has charged me in a letter dated Hertzyburg 16th Instant
to deliver to Your Royal Highness the enclosed
letter, which he has received from M. Staker, and
at the same time to state, that it was His Royal
Highness's Intention to write to Your Royal Highness
on the subject of its contents immediately after
His return to Hanover, which would probably
take place the 25th Instant.

I am with most profound Respect and submissions

Sir

Your Royal Highness's

London 29th Nov: 1814.

most devoted and most obedient humble servant

Geo. Best
