Dear Sir,

Treasury Chambers
Whitehall 12th Jan'y 1815

A particular Friend of mine the Hon^{ble} Major Gen^l. Arthur Bentleger of the Madras Cavalry (and Brother in Law of Pascoe Grenfell, who is in Cornwall) is very anxious that the accompanying Letter from him with the Testimonials of his Services in India should be laid before His Royal Highness the Prince Regent, which the General flatters himself may be considered as giving him some Pretensions to be included in the List of Knights Companions of the Military Order of the Bath, if any of the Officers in the East India Company's Service should be honoured with that Distinction.

If you will have the goodness to submit the same to His Royal Highness, you would greatly oblige the General, and

Your faithful
humble servant
Joseph Alcock

The Right Hon^{ble}
John Manners &c &c
