A.A. No. 550

21682 - 3

St. James's Square

Tuesday 2 P.M.

Lord Castlereagh has the Honor to
signify your Royal Highness that
Mr. Keene's Motion for the Exemption
of Mr. Mack has been rejected
by 175 to 119 Majority 56

Notwithstanding the Case made
in debate was extremely strong against
the Motion, Lord C. has the satisfaction
of observing many of the Friends of God^d
either vote against, or go away, which renders
it of great Importance to your Royal

Highness's Great Popularity & Influence
 in the Country, that the Revenue should,
 if possible, be kept ^{hereafter} ~~within~~ the Estimate.
 These annual discussions on Civil List
 Questions are extremely prejudicial
 to the best interests & authority of the
 Crown, and the only way to remove them is
 now to form the best Estimate that can be
 formed of the Income requisite, that
 fluctuating Charge should as far as possible
 be separated altogether from the Civil List.
 and that your Royal Highness should say
