June 15th 1815

My Lord

Having had the Honor to lay
before the Prince Regent your Grace's Letter
with the enclosed Statement of the National
Society for the Education of the Poor in the
Principles of the Establishment's
Church throughout England and Wales,
and His Royal Highness having observ'd with
the highest Satisfaction, the hitherto most
laudable and meritorious exertions of the
Grand Committee of this Society from its
first

first Institution in their endeavours to
promote this Charity, I am commanded by
His Royal Highness to remit your grace
the within Draft for Three Hundred Pounds
and to request that your grace will have
the goodness to present the same to the
Grand Committee with His best Thanks
as His Royal Highness's further aid to the
said Society

I have the honor to

(Signed) J. M. Mahon

His grace

The L^d. Arch^b of Canterbury
