Sir

Having, just now, caused a
Medallion, representing a personage, whose
conduct in the late disturbances of Europe,
I am assured, has been approved of by His
Royal Highness, The Prince Regent, to be ex-
-ecuted, from a marble bust in my poss-
-ession, I humbly beg leave, through your
hands, to present the first impression
of it, in gold, to His Royal Highness.
The second copy of it I am on the point
of sending to the person whom it repres-
-ents, knowing full well that I can do no-
-thing more pleasing to him than by sen-
-ding the first to His Royal Highness.

You will greatly add to the obliga-
-tions, which, Sir, your politeness to me has
laid me under, if, in presenting this

The Rt. Hon. Col. Macrae.

Medallion you will assure His Royal
Highness that His Majesty & himself
have not, among his R. Catholic subjects
one of loyalty more sincere or better proved
by facts than he who has the honour of
subscribing himself,

Sir

Your most faithful
& obliged humble Serv^t

John Milner D.D.
