

Count Münster to H.R.H.

Apr. 17 1816

21935

Count Münster has the honor
to lay before Your Royal Highness
a copy of the letter which His
Royal Highness The Duke of York
addressed yesterday to The Duke of
Cambridge on the subject of General
Dickens. His Royal Highness
was so good as to show the letter to
Count Münster before it was sent
off and he presumes to think that
its contents agreed with Your
Royal Highness's opinion on the
subject.
