

Col. H. Taylor to Sir B. Bloomfield

22291

Portland Place March 23^d
1764

My Dear Bloomfield

I wish it had been
in the power of Lord Rokeby &
myself to have met your wishes
for the Employment of Mr Philips
in the Sale of Her late Majesty's
Effects and you need not be surpris'd
that we should have done so
with pleasure, but we had already
fix'd upon Mr Christie whose Name

had occurred to all the Princes
and was approved by the Prince
Regent when I had the honor of
waiting upon His Royal Highness
at Brighton.

I am, Sir, Dear Bloomsbury

Yours very truly

St. John
