Life House

2^d July 1819

My Dear Sir,

I return Sir Bate Dudley's
letter.

You are probably aware
that it is not usual to decide upon
Promotions in the Church, or other
Appointments, until the Vacancy
actually occurs; but upon the
present occasion, I am desirous
that Sir Bate Dudley should not
entertain any Expectations of the
object for which he applies.

The Deanery of Ely has
always been considered as connected

The Right Hon^{ble}
Sir Bery^{ll} Bloomfield

with

with the University of Cambridge,
& has almost invariably been
given to some Person of eminence
in that University -

If the Vacancy should
occur, as I have reason to believe
is not unlikely, I should conceive
it to be my Duty to recommend
to the Prince Regent, the Head of
some College in the University of
Cambridge, or some Professor or Tutor,
of distinguished Reputation in that
University, to succeed to it -

With respect to Sir
Baron de Tulkens's Application for
a Remainder in his Baronetage,
it

it is not usual to grant that
Honor with Remainder to Collaterals,
except under very special
Circumstances, and I do not
consider the Circumstances of this
Case to be such, as to form
an Exception -

I am with great Truth

My Dear Sir

Yours very sincerely
Liverpool
