29 March 1813

Colonel M. Mahon!

I have been directed to you Sir, by the Brave M<sup>r</sup> Dumergue,  
concerning my Account, with His Royal Highness, the Prince  
Regent; General Turner has been so kind to take my  
request in consideration, and told me, I could make application  
to you, on that subject; Give me leave, then, of mentioning;  
that the first articles, of my establishment, have been  
delivered to His Royal Highness, these ten years past, and  
since that time, several Watches and clocks, were sent to  
His Royal Highness, and at my arrival in London,  
Fifteen Months ago, I had the honour to present  
a Clock to his Royal Highness, with a memorandum  
of my Account with him, the Balance, of  
which amounted then to £997: Sterling,  
Since that time, M<sup>r</sup> Gray

"gave me an order on the 12<sup>th</sup> of March 1812 and I received the Sum of £297: So that the Balance due this day is £700." I hope Sir, considering the time elapsed, and when you reflect, that my departure from this Country, cannot possibly, take place, unless this affair is settled, all these reasons, and your good dispositions towards my friend, M<sup>r</sup> Dumergue, will induce you, to procure me, the settlement of my account

You will infinitely oblige me; and I shall consider it as a great favour.<sup>2</sup>

I remain with Esteem

Sir

Your most obedient  
J<sup>r</sup> Louis Breguet  
Moreau.

The Bill delivered by M<sup>r</sup>. Louis Breguet about Janry 1812, for Watches & Clocks delivered between Oct<sup>r</sup>. 1808 & Dec<sup>r</sup>. 1811, amounted to £997- , of which he was paid in April 1812 £297. - , and there now remains due the Sum of £700. —

M<sup>r</sup>. Breguet, in <sup>the</sup> payment above mentioned, has received the same proportion of his Debt as other Creditors of like date; and it is probable that he will receive part of the remainder in April 1813, and that the whole will be cleared during the present year.
