Rome

Jun 12 1815

My dear General.

The enclosed memo
 andum is long but I beg
 you to read it - It is
 written by a Chevalier
 Cicciparici, a very respectable
 Italian gentleman of this
 town, who, it would appear
 has saved some property
 left by the Cardinal of York
 & his Royal Highness & his
 W. Hopperley & has had it
 conveyed safely to Fulton
 House. Mr Cicciparici has
 had no acknowledgement
 of his receipt of the receipt
 of these effects, in addition
 I wish some expressions
 acknowledgements would
 be grateful and perhaps
 as words of compliment

cast nothing, you might
have no objection to
tender him with - He
says also that the part
belonging to Mr J. Speedy
has not been delivered
to him - Excuse my inter-
ference - I cannot be
indifferent to any thing
that concerns our Royal
Master's interests or fame.

Ever sincerely Yours
W. Bentinck

Lieut. General, Lord Collier, Beaufort
Col. Mac Mahon

might
of

the
ing
Royal
Name.
Yours
with
Bentuck.

[Faint, illegible handwriting]

12 Jan 1815

Le Cardinal Duc de York recut dans le
 moment des Malheurs, une Pension du Gouver-
 nement Britannique de 4000. L. Sterling par
 l'intercession de Sir John Cox Hippiley, et par
 la protection de S. A. R. Le Prince de Galles.
 Venant à mourir a Rome le Cardinal Duc, il
 eut témoigner sa reconnaissance à Son Altesse
 Royale, et au Ches. Hippiley ordonnant à Monsei-
 gneur Casarino son exécuteur testamentaire, Un
 legs en faveur de Son Altesse Royale, et un
 en faveur du Ches. Hippiley: Le premier con-
 sistoit dans l'ordre de S. André en soie, entouré
 de Diamants après gros, une bagne d'amatiste,
 et d'un Livre de Prières avec Miniatures.
 Celui du Ches. Hippiley consistoit dans trois
 Livres, six des Hommes Illustres de Plutarque,
 dans un Livre de Prières avec Miniatures, et
 un étui avec deux Medailles. — Monseigneur
 Casarino aura connoissance de ce legs à son

Altesse Royale, et au Chev: Hippisley.

S. A. R. donna commission au Chev: Hippisley de faire remettre ces effets à son Beau frere le Chevalier Cicciasporci, pour les faire passer en Angleterre par une occasion sûre. - Les occasions estoient dans ce temps là très rares, et bien incertaines de façon que le Chev: Cicciasporci eut de voir aller à Rome Les dits effets jusqu'à ce que un moment favorable pouvoit arriver. Mais étant renouvelés les deffertes de Rome, l'exécuteur testamentaire ne voulut plus les garder, et le Chev: Cicciasporci empesché de bien servir son Altesse Royale, et son Beau frere, par le moyen d'un Courier dont il pouvoit se fier, il fit venir ces objets de Rome à Florence, en trois Boîtes, et avec la dépense de quatre sequins ou deux livres Sterling. Le neveu de Monsiegnor Cesarino, eut le soin de remettre lui même au Courier les trois boîtes, pour n'y mettre point d'adresse, et il ecrivit que Chev: Cicciasporci

que le n^o 2 étoit pour Son Altesse Royale, et les
 n^o 1 et 3 pour le Chev: Hippisley, indiquant les
 objets, qu'elles contenoient, et le priant de les
 vérifier, ce qu'il fit, et en envoya une copie à
 Messieurs les Carins. Le Chev: Cicciapora
 cherchoit toujours l'occasion de les envoyer à
 leur destination, mais les difficultés augmentoient
 toujours; à la fin, les fameux Decrets de
 Berlin, et de Milan, furent publiés, comme
 aussi un Decret qui ordonnoit que chaque un
 devoit renoncer tous les effets de propriété An-
 gloise, même sous peine de Mort. Le Chev:
 Cicciapora se trouvoit fort embarrassé, par le
 risque que quelqu'un pourroit découvrir, qu'il
 possédoit ces effets, de façon qu'il tâcha de les
 diviser entre la Ville et la Campagne pour
 qu'en cas de visites domiciliaires, des quelles, on
 étoit menacé, ils ne fussent pas trouvés.
 Dans ce temps de craintes, et de périls, arriva
 un inconnu, qui se nommoit Bonelli
 portant deux mots au Chev: Hippisley, disant
 que ce Monsieur auroit pu se charger des lettres

en question. Dans des moments si facheux, le
 Chevalier Cicciapucci ne crut pas devoir avouer de
 retenir ses objets, et il répondit qu'il ne les
 avoit pas, et que ce n'étoit pas le moment
 de les chercher, d'autant plus qu'on ne
 pouvoit pas comprendre comment cet homme
 auroit pu s'en charger, et d'ailleurs les difficul-
 tés que le Gouvernement François lui
 donnoit, faisoit naître quelque soupçon sur
 sa personne. Monsieur Bonelli s'en fâcha, et
 on ne sait pas ce qu'il a pu dire au S. A. R.,
 mais celui-ci a porté des plaintes au Cardinal
 Concalvi contre M. Cicciapucci, le quel est
 toujours plus content de n'avoir pas mis
 sa confiance dans Monsieur Bonelli. Les premiers
 Anglais qui ont paru en Toscane, étoient le
 Colonel Graham, et le Capitaine Thomson, avec
 quels, le Chevalier Cicciapucci a communiqué
 toute de suite sa commission, et leur fit voir
 les Boutes: ils ne purent pas s'en charger,
 mais ils l'adresserent au Capitaine Gage alors
 à Livourne. Le Chevalier Cicciapucci n'eut rien
 de plus empesé que d'accomplir sa mission
 le premier moment possible, et Malgré un

fait attaque de goutte, il se jeta dans une
 chaise de poste, avec les Boîtes: il se presenta
 à M^r Grant, vice-consul à Livourne, et après
 être resté quatre jours à l'auberge, les conduisit
 au Capitaine Gage, qui eut la complaisance
 de s'en charger: tous ces embarras, et ces peines
 et ces dépenses n'ont eu autre objet, que de
 servir Son Altesse Royale le mieux possible.
 Personne n'a fait savoir à M^r Ciciapori
 l'arrivée de ces Boîtes, mais il a su par
 hazard qu'elles sont à Cotton House, et de là
 rien n'est parvenu à Sir John Hippiley.
 M^r Ciciapori ne salue rien de Son Altesse
 Royale, excepté le bon agiement de J. A. et
 que les deux Boîtes Marquées n^o 1. et 3. soient
 remises à Sir John Hippiley à qui elles
 appartiennent. —
