Sir

Great Queen Street
Oct. 16th 1803

I have taken the Liberty to
Enclose You the account of Money expended
for and by order of His Roy^l High^{ness} the Prince
of Wales. and as I have paid for the
Several articles long since I do hope you
will be so kind as to arrange it so that I may
have the Money returned, indeed it will be
impossible for Me to undertake to make any
more purchases, altho they may be necessary
for completing His Roy^l Highness's wishes
if I am not paid. as Well as the very great
disappointment it will be to Me

The amount delivered into the Office
for the Works done by His Roy^l Highness's order
up to Midsummer last. and which account
His Roy^l Highness pledged Himself I should
be paid If I remained at Brighton and finished
what He wished and which was completed
in time and to His Satisfaction and for
which He was so good to speak to You
about

The amount I allude to is for the payment of which I took the Liberty of troubling You for work done in the early part of the year and for which I flattered myself I should have been paid for last Quarter

made
and
or shall
until
r

I have refrained from delivering in my account for works done by order of His Roy^l Highness since midsummer in full expectation and confidence that I shall be paid the whole of my account to that time

which is. painting as Deliv'd 1156. 14. 7³/₄
Money expended by order ----- 568. 12. 6
amounting to ----- £ 1115. 13. 1³/₄

The expensive Works I have now in hand which you saw when last at Brighton takes every Guinea from me the Painted Glass and other decorations now executing which His Roy^l High^{ness} is so pressing and anxious about being done cannot be completed if I am not paid and for which He has told me several times that I should -

Relying on Your Goodness and Knowledge of the Princess wish I hope you will cause me to be comfortable on that score

26356

I beg leave to repeat I have not
made any claims for the Painted glass
and other works done since Midsummer
or shall I untill the Xmas. Quarter.
