2798

Ld North begs leave to add to Mr
Thornton's papers, two letters from
Mr North, & some papers sent this
morning from Mr Westworth to her
Eden. He submits likewise to his
Majesty several letters from the
latter upon the subject of the Com-
-mission, which his Majesty will
see were not intended for his perusal.
but Ld North thought that he could
not by extracting them make the per-
-spect of them sufficiently clear
to his Majesty. Dornin 1^o Jeudi Mar 3
