

Ld. North

April 10th 1778.
Pal. Mr. Powys's Archiv

Apr. 10 1778

2901

Lord North has the honour of inform-
-ing his Majesty that Mr Powys's
motion for enlarging the powers of the
Commissioners was after long debate
set aside by a motion for the Chair-
-man to leave the chair which
put an end to the Committee upon the
State of the Nation. There was no
division. The only supporters of Mr

Those were Mr George Saville, Mr Fox,
Mr Amherst, & Mr Burke.

If there had been any division, the
numbers in favour of the motion
would have been small. Mr

Dunning, Mr Pitt, Lord Sandwich
Mr Thomas Walpole, Mr James ^{Mr Tho. Townshend} Louther,
Mr George Yonge spoke against the
question.
