Lord North, I have exactly copied the draft of the letter made by Mr. Robinson, and send it unto you; having got from this Stanier Doctor the proper Fittes as given by me to the State of Arent it is in all particulars agreeable to precedent.

I see by the Division of last night the Country Gentlemen must as you expected have taken the opportunity to show their love for Contractors, but as the latter Gentlemen have many friends, I don't doubt in the course of the stages of the Bill, they will find a fortunate occasion to throw it out.
