Pub. S. Philip Jennings's  
Bill carried

2943

Lord North has the honour of  
informing his Majesty, that the second  
reading of Mr Philip Jennings's Bill  
has been carried notwithstanding the  
pains taken to prevent it.

Ages 72.

Staes. 61

Lord North is sorry to say, that he consi-  
ders the event of today as another  
proof that the H<sup>o</sup> of Commons is tired  
of supporting, & that it will certainly  
be necessary to make another arrange-

= want for the business of the H<sup>o</sup> of  
Commons.
