As we close our Theatre tomorrow,  
 might I take the liberty of sending my Treasurer  
 for the remaining half of the Prince Regent's Subscription

Sir William

I have the honor to inclose you a Card for the Anniversary Dinner of The Artists Benevolent Funds, and I am directed by the President, Committee & Stewards to say that, if you could make it convenient to honor them with your Company, they would feel particularly gratified.

This being the first Anniversary celebrated under His Majesty's Patronage, they are very desirous to shew the sense they entertain of such gracious condescension, by the assemblage of as many friends as possible. You will perceive the Chancellor of The Exchequer takes the Chair, and the Committee feel confident his exertions will not be wanting, to render every possible honor to the august Patronage which was last year obtained through the generous friendship of Mr. Peel.

You will observe the dinner takes place on Saturday the 6<sup>th</sup> of May, and the committee would esteem it as very kind, if you would signify whether they may expect the honor of your Company, in order that they might reserve a proper place for you at the Table.

I have the honor to be
