Sir

I was honored with Your letter this morning, informing me of the Tax, or rather, the mode of assessment, that is to be made on all the Salaries given by his Royal Highness the Prince of Wales, to the Different Officers belonging to His Family —

By the Advice of Mess^{rs} Coutts & Co. I was advised to wait the Orders I should doubtless receive from the Office at Somerset House, M^{rs} Hagron did the same, but M. Gray, has to apply to the Assessor at Plumstead Parish, where has lately paid in what the Commission^{ers} charged him with, & will immediately withdraw what he has paid. —

Sir

Permit me to acknowledge your very polite letter, which I, this morning, received.

In answer to its contents I can only say I have never since I first received my income, considered any tax or assessment, as payable by me. —

I shew'd my deed of annuity to my Council when on a late domestic controversy, I had occasion to consult one, and he fully assur'd me that I was not liable to any deduction of tax or assessment whatever. —

For your government in case of an investigation from the Commissioners, I have here subjoin'd an Extract from my deed, of which you have had a copy. —

I have the deed by me —
if you wish to see it I will instantly
transmit a copy of it. —

I have the Honour to
remain —

CONDITIONS OF INSURANCE.

I. EVERY Policy shall contain an exact Description of the Property insured thereby, and a true Account of the Materials of which the Buildings are built and covered, whether the same are used as Dwellings, Warehouses, Manufactories, or otherwise, and any particular Circumstance of Risk arising from the Nature of the Trade carried on, or Goods in, or Situation of the Premises, or of the Process in Manufactory, or by reason of any Utensil used therein, so that the Risk may be fairly understood.—If not so expressed, or if any Misrepresentation is given, whereby the Insurance is effected upon a lower Premium than ought to be paid; or, if Buildings or Goods shall be described in the Policy otherwise than as they really are, no Benefit shall arise to the Insured from the Insurance.

II. PERSONS insuring Property with this Office, must give Notice of any Alteration either in the Building or of the Trade or Goods in the Premises insured, or of any Removal, and cause such Alteration or Removal to be indorsed on their Policies, and if the Risk shall be increased thereby, pay any further Premium which the same may occasion, otherwise they will not be entitled to recover in case of Loss: And if any other Insurance is made on the Buildings or Goods, the Policy will be void, unless the same is allowed by Indorsement, in which case the Office will pay its Proportion of any Loss subsequently arising, according to the several Sums insured.

III. No Loss or Damage by Fire happening by Invasion, Foreign Enemy, Riot, Tumult, Civil Commotion, or any Military or usurped Power, will be made good.

IV. IN case of any Loss or Damage by Fire, Notice must be forthwith given to the Office in London, or to an Agent in the Country; and as soon after as possible, an Account shall be delivered in, stating the Particulars of such Loss, upon the Oath or Affirmation of the Claimant, who shall prove the same by his Books, or such other Documents and Vouchers as the Board of Directors shall reasonably require; and all Losses will be paid without Deduction, immediately upon the same being satisfactorily ascertained, or the Office will cause every Building to be repaired, reinstated, or rebuilt, or the Goods

replaced with others of the like Kind and of equal Value and Goodness with those destroyed or damaged, at the Option of the Directors. But if any Doubt arises upon the Claim, the same shall be settled by Arbitrators, whose Award shall bind all Parties.—And until the Production of such Affidavit, Books, Documents, or Vouchers, no Loss shall be made good. And the Claim shall be wholly invalidated, if there shall appear any Fraud or False Swearing to support such Claim, or that the Fire shall have happened by Procurement, or by any wilful Act, Means, or Connivance of the Claimant; or, if any Repairs shall be begun before the Claim is made: And if no Claim shall be made for the Space of Three Months, the Insured shall forfeit every Right to Restitution or Payment, by Virtue of his Policy.

V. No Receipts are to be taken for Premiums of Insurance but those printed and issued from the Office, and witnessed by one of the Clerks or Agents, as no other will be allowed; and every Person shall take such Receipt on Payment of the Premium.

VI. This Policy is not to be of any force, if assigned, unless such Assignment shall be allowed by an Entry thereof in the Office Books; and in case of Death, Policies may be continued to legal Representatives, after the Expiration of the existing Term, having their Interest therein declared by Indorsement.

VII. PREMIUMS are to be paid for Insurance to the Quarter-Day next ensuing the Payment, and from thence for One Year. And all Persons desirous to continue their Insurance, shall, as long as the Directors of the Office agree thereto, make their future Payments annually at the Office, (within Fifteen Days after the Expiration of the Year) or forfeit the Benefit of the Policy. And no Insurance is to take place till the Premium be actually paid.—Insurances for Periods short of a Year, expire at Six o'Clock in the Evening of the Day expressed in the Policy, as conclusive of the Risk, without any Allowance of Fifteen Days grace.

PROPOSALS

O F

The Imperial Insurance Company,

For INSURING Houses, and other Buildings, Goods, Wares, and Merchandizes, and Manufacturing Stock, and Ships, Barges, and other Vessels, in Port or in Dock, and Goods on-board the same; also, Ships and other Vessels Building or Repairing; also, Barges and other Vessels on Navigable Rivers, Canals, and other Inland Navigations, and Goods on-board thereof, from Loss or Damage by Fire.

THE following Statement of the Capital will be sufficient to satisfy the Public of the undoubted Responsibility of the Company: A Capital of ONE MILLION, TWO HUNDRED THOUSAND POUNDS Sterling, has been subscribed in Shares of £500 each, and no Member is a Subscriber for more than £5000. Each Member has deposited £10 per Cent. on the Amount of his Subscription, amounting in the whole to £120,000, which Sum is invested, and is to accumulate for five Years, without any Dividends being made to the Members of the Company. In Case the current Premiums on Insurances, with the Deposit of £120,000, and all the Accumulations thereon, respectively, shall prove inadequate to satisfy the Losses which may arise, the Members of the Company are, from Time to Time, to be called upon to pay further Sums, in Proportion to their Subscriptions, and to the full Extent thereof, if the Demands upon the Company shall require the same. If the current Premiums shall be more than sufficient to answer Losses, and the Expences of Management, the Surplus is, from Time to Time, to be invested; but such Profits are in no Event to be divided, but are to go in Augmentation of the capital Stock; and the Dividends and Interest of the Profits only, are to be divided, after the Expiration of five Years; so that, if the Company makes a Profit by insuring, its Capital and Responsibility will annually increase. The Capital provided by the Company being so abundantly ample, and Provision being made for its gradual Encrease, in the Manner before stated, the Company stipulate, (as is declared in their Policies,) that no Member thereof shall ever be liable for, or called upon, to pay a larger Sum than the Amount of his Subscription, upon any Account or Pretence whatsoever.

TABLE OF ANNUAL PREMIUMS TO BE PAID FOR INSURANCE.

Table with 3 columns: No. I. COMMON INSURANCE, No. II. HAZARDOUS INSURANCES, No. III. DOUBLE HAZARDOUS INSURANCES. Each column lists building and goods categories with corresponding annual premium rates (e.g., 2s. per Cent. per Annum).

Also, Buildings and Stock of Sugar Refiners, Sugar Grinders, Sea Biscuit-Bakers, Distillers, Musical Instrument-Makers, Cotton Spinners, Callico Printers, Flax Dressers, Manufactories worked by Steam Engines, Chemist's Laboratories, Japanners, Turpentine Works, Theatres, and other extraordinary Risks, may be insured by special Agreement. N. B. Buildings and Goods on the Banks of the TRAMES, from the TOWER to LIMEHOUSE, on both Sides of the River, are, (on Account of the additional Hazard in these Parts,) charged with a small additional Premium. - A Duty of 2s. per Annum is laid upon every Hundred Pounds Property insured from Fire, which Duty is to be paid at the Office, at the taking out of the Policy.

CONDITIONS upon which this COMPANY make INSURANCES.

- I. PERSONS desirous to make Insurance on Buildings, are to deliver in to the Office, the following Particulars, viz. a Description of the Buildings, where situated, by whom occupied, of what Materials the Walls and Roof of each Building intended to be insured are composed, whether the same are occupied as Dwelling-Houses, or as Warehouses, Manufactories, Work-Shops, or how otherwise. Houses not duly separated by Party-Walls, are deemed Brick and Timber. All Manufactories which contain Furnaces, Kilns, Stoves, Coakels, Ovens, or otherwise use Fire-Heat, are chargeable at additional Rates. II. In the Insurance of GOODS, WARES, or MERCHANDIZES, the Buildings, or Place in which the same are deposited, is to be described; it must also be stated, whether such Goods are of the Kinds denominated hazardous, and whether any Manufactory is carried on in the Premises. And if any Person or Persons shall insure his or their Buildings or Goods, and shall cause the same to be described in the Policy, otherwise than as they really are, so as the same be charged at a lower Premium than is herein specified, as applicable thereto, such Insurance shall be void; or if any Building shall contain any Kiln, Furnace, Steam-Engine, Stove, or Oven, used in the Process of any Manufactory, unless mention be made thereof in the Policy, it shall also be void in Respect to such Building, and the Goods therein. III. That no Loss or Damage by Fire, occasioned by Invasion, foreign Enemy, civil Commotion, or any military or usurped Power, will be paid or made good, or considered as insured by this Company. IV. O F

The Imperial Insurance Company,

For INSURING Houses, and other Buildings, Goods, Wares, and Merchandizes, and Manufacturing Stock, and Ships, Barges, and other Vessels, in Port or in Dock, and Goods on-board the same; also, Ships and other Vessels Building or Repairing; also, Barges and other Vessels on Navigable Rivers, Canals, and other Inland Navigations, and Goods on-board thereof, from Loss or Damage by Fire.

THE following Statement of the Capital will be sufficient to satisfy the Public of the undoubted Responsibility of the Company:

A Capital of ONE MILLION, TWO HUNDRED THOUSAND POUNDS Sterling, has been subscribed in Shares of £500 each, and no Member is a Subscriber for more than £5,000. Each Member has deposited £10 per Cent. on the Amount of his Subscription, amounting in the whole to £120,000, which Sum is invested, and is to accumulate for five Years, without any Dividends being made to the Members of the Company.

IN Case the current Premiums on Insurances, with the Deposit of £120,000, and all the Accumulations thereon, respectively, shall prove inadequate to satisfy the Losses which may arise, the Members of the Company are, from Time to Time, to be called upon to pay further Sums, in Proportion to their Subscriptions, and to the full Extent thereof, if the Demands upon the Company shall require the same.

If the current Premiums shall be more than sufficient to answer Losses, and the Expences of Management, the Surplus is, from Time to Time, to be invested; but such Profits are in no Event to be divided, but are to go in Augmentation of the capital Stock; and the Dividends and Interest of the Profits only, are to be divided, after the Expiration of five Years; so that, if the Company makes a Profit by insuring, its Capital and Responsibility will annually encrease. The Capital provided by the Company being so abundantly ample, and Provision being made for its gradual Encrease, in the Manner before stated, the Company stipulate, (as is declared in their Policies,) that no Member thereof shall ever be liable for, or called upon, to pay a larger Sum than the Amount of his Subscription, upon any Account or Pretence whatsoever.
