A little feverish complaint has oblig'd me to call for  
the assistance of Sir Richard Dobb this morning who has  
put to severe discipline to secure my being able to  
go on Wednesday to St. James's Lord North will therefore  
give the D. of Northumberland notice that he cannot  
be presented before that day the Law Secretary at War  
may as on former occasions vacat his seat this  
day though he does not come to St. James's.
