

A. H. to Lord North

Queen's House Feb. 21<sup>st</sup>  
1714.  
on  
30<sup>th</sup> A. M.

Lord North, cannot be surpris'd at my thinking  
the step I propos'd of removing Sir A. S. Wiser  
last dated day was not so improper as the  
Majority of the Cabinet seem'd to think, when  
Lord Sandwich himself is forc'd to come now to  
a mean subterfuge to attain the same end
