

St. James's

January 29 - 1831

Dear Sir

We have been somewhat surpris^d
 at the Receipt of the enclosed Application
 as I had been confidently assured that poor
 Kneffe was ^{dead} & I had in consequence struck
 him out of our List; however as he chooses
 to insist upon being alive Mr. Gen. Wheatley
 will pay him the half year due Jan. 5 -
 but how is he to obtain the other half,
 have you any Funds in hand, if not
 what must the poor old Man do? I

apprehend

apprehend the loss of half a year's
Pension would be a very serious inconve-
nience to him, & we can pay nothing
that became due previous to His Majesty's
accession. - May excuse this trouble
and believe me

Very truly yours

John Boscawen

P.S. Have the goodness to return me
the enclosures
