My Dear Sir

The enclosed I have received from
Major General Wheatley - You must
have the kindness to write to Mr.
Wilmot at Windsor; Say the Postage
of his Letter - I desire he will
transmit to you his Bill - stating
for whom the medical assistance
was employed - of the Trade &
Quality of the ^{sick} Person & by whose
order he undertook the charge
of the sick Cases - Inquire also,
if you please, to whom he made
application for the amount of

his Bill. I have myself no
recollection of it - The application
to me implies, I suppose, a reproach
This I cannot keep -
God bless You -

Your faithful & sincere
Friend
