

Lord North

April 11. 1779.

rel. to Mr. Colquhoun to be a  
Clerk of the Sessin in Scotland.

Apr. 11 1779

3327

Lord North has the honour of inform-  
ing his Majesty, that a Clerk of the  
Sessin in Scotland is dead, & that  
the Duke of Argyll has made appli-  
-cation for Mr Colquhoun as this is  
the point which the Duke has so  
much at heart, he submits to his  
Majesty that, supposing Mr Colquhoun  
unobjectionable, this promotion may  
put his Grace in good humour, &

remove his ill-founded idea of being  
reflected & slighted by Government
