

Lord North
1779

Tues. May 18 1779

(3343)

Lord North has the honour of inclosing
for his Majesty some papers of particu-
-lar concern: He will have the honour
of paying his duty tomorrow morn-
-ing at St. James's, when he hopes
to be able to explain correctly the
intentions of the Attorney General
as he expects a letter from him to-
-morrow, & he wishes to have his
sentiments in writing rather than

undertake to report a verbal conversation.
-tion. He has come to return his Majesty
his most grateful acknowledgements
for his gracious communication of his
intentions respecting the third prince
whom his Majesty orders to the Naval
service, a destination which must
give a general satisfaction
