Indon. a letter from Mr. South
- concerning a letter written by
Ld. Geo. Gornvines

Ld. North

3353

Lord North has the honour of inclosing
a letter he has just received from Mr.
South, rather more regularly written & more
instructive than his letters have hitherto been.

Lord North wrote to his chaplain in some
baste upon the surprize he conceived
on the receipt of Lord Chancellor's letter
upon recollection of the matter of it,
he thinks there is something in the
objections he makes to Ld. Gornvines's
letter to the House. It certainly is
so cold that total inactivity must

be the consequence while I^r W^m remain at
the head of the Army.
