

H. M. to Lord North

3368

New June 1<sup>st</sup> 1779 <sup>ca</sup> 10. A.M.

Lord North's Box is just received, I have signed the  
Message to the House of Commons for a Vote of Credit; I  
flatter myself now the Committee of Supply and Ways and  
Means are closed, the business of the Session may be  
soon concluded; I should imagine the Gentlemen of the  
House of Commons to get into the Country sooner, would  
not object to sitting on a Saturday
