Recd.  
Intelligence about Spain's  
being to join France and  
declare war.

June 15 1779

3383

Lord North has the honour of  
informing his Majesty, that Mr.  
Townshend's motion for an address  
to suspend the prerogative of the King  
till the end of the American expence  
was rejected this evening by a great  
majority.

Ages 70

Nov. 14 2.

By account from all quarters Spain  
will immediately declare war, & there

it reasons to expect that Mr d'Amador  
will give notice of it tomorrow  
to Lord Weymouth. It is reported, & the  
North News with very good authen-  
tity that the French Fleet is  
gone to Cadix to join the  
Spanish Fleet.
